ALUPANEL - An internationally recognised product providing pioneering solutions to the Sign, Advertising and Construction markets.

In a highly crowded business environment it is vital to get noticed. From eye catching signage, innovative point of sale displays to highly effective way finding solutions, there is only one all round solution – ALUPANEL. ALUPANEL is a premium quality composite panel featuring two 0,30mm Aluminum sheets, sandwiching a Polyethylene core.

Available in one of the widest colour ranges on the market, all standard PE colours come with a 5 year external guarantee*.

*Alupanel is a directional product - please install panels in the same direction (directional arrows are shown on the protective film)

*Brushed and Mirror finishes hold a 5 year INTERNAL guarantee.
