All Products NCHRP 350 approved for FHA temporary construction zone signage

# Ordering

## ORDERING INFORMATION:

Our policy is to have your order ready for pick up within \*48 hours upon receipt, excluding weekends. All orders must be faxed to our corporate office. You will receive a fax confirmation of your order and the estimated shipping date.

## ORDER FAX NUMBER: 478.374.4568

WARRANTY: Limited 5 year warranty

Visit [www.globalsignproducts.com](http://www.globalsignproducts.com) to download complete written copy of warranty.

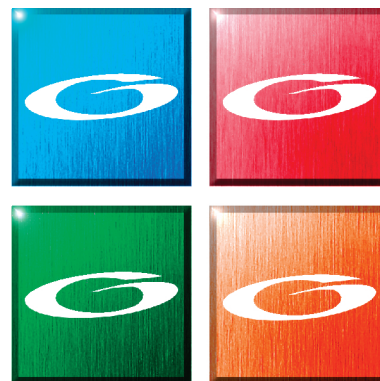

\*Note regarding shipping policy: Global Sign Products, Inc. will strive to have your order ready for pick up within 48 hours after time of receipt. Purchasing and stocking levels must be mutually agreed upon between Global Sign Products, Inc. and your company. A ramp up time to receive inventory is necessary for all new customers. An inventory stocking and purchase forecast agreement will ensure that you receive the most prompt and professional service in the sign substrate industry.

When new products are introduced, the agreements and contracts should be revised to include these products to insure continued quality service and the quickest shipping schedule possible.

This Limited Warranty is made in lieu of all other warranties, written or oral, express or implied warranties, and Global Sign Products, LLC expressly disclaims any warranty of merchantability or warranty of fitness for a particular purpose. The Original Purchaser's, Authorized Dealer's and/or Distributor's warranty rights are expressly limited to the terms of this Limited Warranty. The Limited Warranty is Global Sign Products, LLC's sole and exclusive liability in connection with the purchase of the above-listed Signabond aluminum composite sign panels.
